

USMLE WEBINAR

SPEAKER

Dr. Suleiman MBBCH, M.D

He has helped thousands of students prepare for international medical boards including USMLE Step1, Step2CK, CS, and Step3. Dr. Suleiman's background as a Clinician and as a Medical Educator in different international medical schools in Canada, USA, England, and in Caribbean offshore American Medical Schools offered him his unique interactive teaching methods skills to ease the difficult concepts and to help students to think critically and to build up confidence to solve the clinical problems
